EDUCATION

Bachelor of Engineering  
(Electrical Engineering)  
Suryodaya College of Engineering,  
Nagpur  
June 2016 - December 2020  
Full Stack Web Development  
Masai School, Bengaluru  
July 2023-present

TECHNICAL SKILLS

Express.js | Node.js | React |  
JavaScript | RESTful APIs | HTML5 |  
CSS3 | Redux

SOFT SKILLS

Attention to Detail |  
Time Management |  
Effective Communication |  
Problem Solving

INTERESTS

- Singing
- Travelling

ACHIEVEMENTS

Construct Week Project  
Masai School, Bengaluru  
I received a certificate for excellent  
work on a project.  
Zoom Marathon Challenge  
Certificate  
Masai School, Bengaluru  
I received a certificate for my  
consistency in the English fluency  
challenge.

Deepak Wayzode

Full Stack Web Developer

PROFESSIONAL SUMMARY

Detail-oriented full-stack developer excelling in creating responsive and user-centric web applications. Proficient in HTML, CSS, JavaScript, and React, with a strong background in MySQL and MongoDB for effective database management. Enthusiastic about advancing skills and making impactful contributions to innovative projects.

PROJECTS

1. CodeFlow | |
- HTML5 | CSS3 | React | Redux | Node.js | Express.js |  
MongoDB | Git | Responsive Web Design
- Developed a real-time code compiler for HTML, CSS, and JavaScript with live preview capabilities.
  - Implemented user authentication via a login and signup page.
  - Designed a responsive landing and about page to enhance user experience.
  - Utilized the MERN stack (MongoDB, Express.js, React, Node.js) for full stack development.
2. Gem Garden | |
- HTML5 | CSS3 | React | Redux | Chakra UI |  
Responsive Web Design
- Implemented CRUD operations for the jewelry cart and order management using React and Redux.
  - Developed diverse payment options to enhance user experience.
  - Created and handled responsive features for the cart, address, and payment pages.
3. Travel Tribe | |
- HTML5 | CSS3 | JavaScript | Git | RESTful APIs |  
Responsive Web Design
- Designed and integrated user detail cards within the booking page, enhancing the user experience.
  - Developed and maintained frontend components using HTML5, CSS3, and JavaScript, following best practices for clean and efficient code.
  - Utilized RESTful APIs to fetch and display travel package details, ensuring seamless data integration.
  - Conducted thorough testing and debugging to identify and resolve issues, ensuring the reliability and stability of the application.
